### **God, How Can You Say You Love Me Lord?**

Hello Friend,

Many men and women facing infertility feel this way about God. How can God say he loves me and yet withhold a child from me?

If you are one of the men or women feeling this way about God, let me encourage you today with God's word.

I can testify to this myself. There were times in my life that I felt like God was a million miles away.

During times like this, I will begin to speak the word of God out of my mouth. I will speak out

scriptures from the bible like these:

1. The LORD himself goes before me and will be with me he will never leave me or forsake me. I will not be afraid or discouraged. Deuteronomy 31:8

2. I will keep my life free from the love of money, and I will be content with what I have because God has said, "Never will he leave me; never will he forsake me". Hebrews 13:5

3. How great is the love the Father has lavished on me, that I should be called a child of God! And that is what I am! 1st John 3:1

4. Can a mother forget the baby at her breast and have no compassion on the child she has borne?

Though she may forget, God will not forget me. See he has engraved me on the palms of his hands, my walls are ever before him. Isaiah 49:16.

After a few minutes of speaking his word, I will feel his love burst forth into my spirit like the

sun that never fails to shine.

You too can use these same scriptures that I use to help you overcome depression. Just open your mouth and pray out in faith.

God's love is constant in season and out of season. I have since learned that we must never use anything to equate Gods love for us. His love is not attached to any of the gifts he gives us, even children.

God's love for you is unchanging. It will always be there even when you cannot feel it. That is why we need faith.

Faith is bigger than your feelings. It is a knowing that God is love and he will never leave you or forsake you, even when you feel forsaken by him. For God has said in his word, I will never leave you or forsake you.

Today I want to encourage you to ask God to confirm his love for you and after that ask him in faith to bless you with your child.

## **Prayer**

*I give thanks to the God of heaven. His love endures forever. As for me, I will always have hope. I will praise you more and more. God, I feel you are so far away from me. I feel rejected by you because of so many years of trying for a child without success. Give me a child Oh God in Jesus name.*

*I will praise you with the harp for your faithfulness, O my God. I will sing praise to you with the lyre, O my Lord. I know that you Love me.*

*I say it in faith "GOD LOVES ME". Yes "GOD LOVES ME". My lips will shout for joy when I sing praise to you for blessing me with a child of my own.*

*I am like an olive tree flourishing in the house of God, I trust in God's unfailing love for me forever and ever.*

*I pray O LORD and declare in faith that in the time of your favour you will answer me with your sure salvation.*

*Fill my heart with your unfailing love and bless my life with a child of my own.*

*God has remembered me and will show his love and his faithfulness to me. All the ends of the earth will see the salvation of God in my life. I Give thanks to the God of gods; his love endures forever.*

*Praise be to the LORD my God who alone does marvellous deeds. Praise be to his glorious name forever. God loves me, and I love him too. See he has engraved me on the palms of his hands; my walls are ever before him. May the whole earth be filled with your love and glory O Lord in Jesus name.*

*Amen.*

Until next time this is Veronica Anusionwu saying,

Rest assured YOU TOO WILL BECOME A MOTHER.
