THE JOY OF THE LORD IS YOUR STRENGTH

I will rejoice in the Lord, I will be joyful in my Saviour." Wow! This is definitely the God-kind of joy and it is the secret of real joy. We can endure trials in this life because of the joys in the life to come. Knowing that our sovereign God will walk with us and use trials to deepen our maturity, we can count them all joy.

Apostle James tells us, "Consider it pure joy, my brothers, whenever you face trials of many kinds, because you know that the testing of your faith develops perseverance." James 1:2-3 Perseverance is good for your spiritual maturity Perseverance enables us to be mature and complete, not lacking anything. Trials do not happen without a reason and in the midst of them we should thank and praise God for all He is doing in our life.

We should not lose our joy because this is not His will for us. We should learn to break forth in songs, rejoice and sing praises to the Almighty God. Praise is the overflow of a joyful heart and we have so much to thank God for. And a song in your heart puts a smile on your face. Sing Psalms to the Lord and talk of His wondrous works. Sing of the SUN of Righteousness who has risen with healing in His wings, leaving behind a lingering memory of His love. forth in songs of glorious praise.

If you feel down and powerless today, you can still have the joy of the Lord by having a debt-free relationship with God. Each day is a gift from God Choose to welcome each day as a gift from God and rejoice and be glad in it. Thank the Creator of the Universe for the gift of life and receive each day with joy. Worship, praise and celebrate HIM! Happiness depends on

happenings but joy depends on Jesus Christ. Those who know and trust the Lord can rejoice at all times, whatever their situation. The bible tells us in Proverbs 17:22, "A cheerful heart is good medicine, but a crushed spirit dries up the bones." A happy heart lifts up your spirit and your physical health is renewed. And a joy based on God's salvation is a deeper and abiding joy. God's forgiveness of sins and a restored relationship with Himself through His Son, Jesus Christ, gives us a deep joy, which circumstances cannot shake.

Praise and thank God for this! Have God-kind of joy If our joy is found in the Lord, nothing can disrupt it, not even economic crisis or credit crunch. The Word of God tells us in Habakkuk 3:17-18, "Though the fig tree does not bud and there are no grapes on the vines, though the olive crop fails and the fields produce no food, though there are no sheep in the pen and no cattle in the stalls, yet I will rejoice in the Lord, I will be joyful in my Saviour." Wow! This is definitely the God-kind of joy and it is the secret of real joy. We can endure trials in this life because of the joys in the life to come.

No matter what we are going through, if we are walking with Jesus, we can still rejoice and praise HIM. True joy comes from The Lord Joy comes from the Lord, who lives in us, and not what is happening around us.

We can never find true joy until we obey Christ's command to "Seek first His kingdom and His righteousness, and all these things will be given to you as well." Matthew 6:33. Unless God is a major pursuit of our lives, all

other pursuits are not worth it. So when we go after God, He will fill us with His joy and His goodness. In the darkest times of our lives, God loves to turn "our mourning into dancing." His Word tells us in Psalm 30:5b, "Weeping may remain for a night, but rejoicing comes in the morning."

There is lasting love and joy in Jesus Christ and when we trust in His goodness, we find gladness. A heart touched by grace brings joy to the face. By depending on the Holy Spirit, we can have a positive impact on everyone we meet, even if all we do is smile or listen. The Lord fills us with joy unspeakable and we are full of His glory.

Child of God, let the joy of the Lord be your strength and the shout of joy will be heard in your dwelling. Let your heart be continually filled with His joy and you shall not eat the bread of sorrow, in Jesus' most exalted name. AMEN. Worship, praise and celebrate our Almighty God daily!
