Lord, Why me?

Many people assume turbulent times are not for Christians and that anyone in a tough situation might have offended God, especially when the situation is prolonged. In 2 Timothy 3:12, the Bible says, in fact, everyone who wants to live a godly life in Christ Jesus will be persecuted.

This means you will be wronged, mistreated, maltreated, victimized, etc. many bad and unpleasant things will happen in your life, but this is not the time to say, Lord, why me?

Your road to accomplishing success will have trials, and Jesus knew that you would encounter problems in this world, but he confirmed that as you remain in Him, you will live a life full of peace even in the midst of many problems.

I know right now many of you are at the point of giving up. You are weeping and saying God has left you. But I want you to know that God has not left you. In Hebrews 13:5, God has said, "Never will I leave you; never will I forsake you."

God's word is real. You must be of good cheer; always rejoicing because Jesus has overcome the world and given you the place of victory! He said, "I have told you these things, so that in me you may have peace. In this world, you will have trouble.

But take heart! I have overcome the world. "John 16:33.

Whatever the challenge may be that is confronting you now, Jesus has defeated it for you! He has triumphed over it for you! He has risen above it for you before it ever came your way! He has overpowered the enemy for you! You are the winner. For the bible

says in Romans 8:37, "No, in all these things we are more than conquerors through him who loved us".

These words of the Lord Jesus must re-echo in your heart if you are ever to live a victorious life. This scripture should reassure you that you are not alone. I want you to know that distressing situations come from the enemy - the devil, but God always has a victory plan for His children.

Things like infertility, miscarriage, growths like fibroids, cysts and even financial and marital issues could come up in your life. Unemployment and unruly children can create problems for you.

Even then God says, no temptation has seized you except what is common to man. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can stand up under it. 1 Corinthians 10:13.

God's word stands sure, for the bible says, "a righteous man may have many troubles, but the LORD delivers him from them all; he protects all his bones, not one of them will be broken". Psalm 34:19-20.

No matter what you are facing, God will set you free from it. He will rescue you from it, he will make a way of escape for you, if only you will allow him. For the bible says in Psalm 34:22 "the LORD redeems his servants; no one will be condemned who takes refuge in him.

You may wonder why God left us in this world of trials and temptations. In other words, you may want to know why He allows trials to come your way in life. This is what the bible says, 'our present sufferings are not worth comparing with the glory that will be revealed in us". Romans 8:18.

So, at the other end of the trial and pain is Gods glory. In the times of trial, you need to know that God has made His power available to you and lifted you over principalities and powers.

Sometimes the enemy wants you to feel that Gods word is not powerful enough to protect you. But I want you to know that the word of God has all the power to protect you and you must not stop speaking it no matter how hard the battle rages in your life.

God has not left you alone, for the bible says in Psalm 8:5, what is a man that you are mindful of him, the son of man that you care for him? You made him a little lower than the heavenly beings and crowned him with glory and honour.

God is mindful of you, this means he is attentive to you! He cares about you! He is on the lookout for you! He is aware of you! he is vigilant of you! He is wide awake in your situation! Praise the Lord! The Bible says, "Surely there is no enchantment against you neither is there any divination against you, Number 23:23. It's the words that proceed out of your mouth that count. If you are going through a tough time, it time to change what you see and how you interpret your situation.

Speak only Gods word at that time for that is the only thing that has the power to overrule the situation. And it will surely do so for you in Jesus name, for the bible says, "So mightily grew the word of God and prevailed," Acts 19:20.

Confession of Victory:

Now change your confession! open your mouth wide and declare these words out loud and clear. Let your problems hear you! Let the universe hear you! Let your enemies hear you.

O LORD, my Lord, how majestic is your name in all the earth! I bless you Lord. You are great and mighty in my life. I am yielding a multiplied harvest of what I have sown, and it is getting better every day for me.

God's glory is being multiplied upon my life I am blessed and highly favoured. Those who know your name will trust in you, for you, LORD, have never forsaken those who seek you. God will never forsake me no matter the storm that rage against me.

For the LORD loves the just and will not forsake his faithful ones. They will be protected forever, but the offspring of the wicked will be cut off. I am a faithful one and am loved by God.

I am a child of a king and God is mindful of me. I am protected from all harm and victory is mine on all sides. No matter what I am going through right now, I am victorious on all sides because God is on my side. As I declare your word in my situation, I thank you for total victory in Jesus name. Amen.
